

THOR

(Son of Odin)

Who Thor was

Surprisingly, Thor ~~was~~ appears to be the son of Odin and he was the most powerful god in Asgard and he was an incredible thunder god. Interestingly, Thor was known for strength, power and healing. Unlike other gods, Thor was very fearless and even though Thor had superpowers, he had a magnificent, magic hammer that gives him more superpowers.

Appearance

Upon his head, he had a helmet that protects his head from dangerous things. In his hand, an hammer that held lightning and thunder. Behind his back he had a long red cape. Around his waist he had a thick leather belt which held his trousers up. It may be surprising to know, that Thor's hammer is called Mjolnir.

Powers and fun facts:

Interestingly, Thor's hammer made him fly. * Did you know that Thursday is also known as Thor's day? You may not know that Thor doesn't normally fight humans but also he fought giants. Did you know that Valhalla is a heaven in Asgard?

Loki

Interestingly, Loki is known as the Lord of Lies and the God of Fire, his ability is shape-shifting

Loki

By Laxmi

Surprisingly, he is called the wizard of lies even though he is not even a wizard. But sometimes he is good because he helped Thor get his hammer back from the giants.

Appearance

In his hand, he has a tall, skinny axe and upon his head is a large, yellow helmet larger than his head. Loki wore an extra, dark green shirt and long, brown boots but the boots are not as long as Loki's. On his back, Loki had a black, thick beard and he had a big, green cape on his back.

Powers and fun facts

Did you know that Loki insulted all of the Gods in a poem called Lokasenna? Loki got accepted in the ranks of the Gods because Loki became Odin's blood brother. Loki got into serious trouble because he was short-sighted. Loki's power is shape-shifting and I think you already know that! It may be surprising to know, that Loki's children was a wolf!

and he uses his ability a lot. People say he is a giant and handsome so he is a very handsome giant, but he is very bad because Loki cut off Sif's hair and Sif is Thor's wife.

Who Thor was

Interestingly, Thor was the oldest son of Odin and was the Strongest Son. Surprisingly, Thor was a hammer wielding god but when he put on his metal, strong gloves and belt on his hammer went two times stronger. He was known for being the god of thunder, lightning, storms and strength. Because of his roles, he's the strongest of the Norse gods and also is very powerful. He had another set of roles which were healing, protection, man kind and powerfulness. He was changed into the bear and also was a god!

powers and fun facts

- * on his hands, his gloves make his hammer more powerful *
- * He also was a careless god.
- * Interestingly, he was always ready for adventure.

Wiking god is: Thor

Appearance

Along his waist, he had a brown, long leather belt which he used to give himself strength. Protecting him, Thor had an iron helmet which went upon his head. Strangely, Thor had strong muscles like a gorilla and could lift anything! Upon his knees, he had large, grey clothing which was bullet-proof. Underneath his large, grey clothing, he had metal thick pants. On his shoulders, he had a red, long cape and in his hands he had a powerful, strong hammer which can go two times!
