

Dear Parents and Carers,

Happy Easter!

If you are celebrating Easter this holiday, we hope you have a very Happy Easter! We hope that everyone also has a peaceful and relaxing time with your families. All children should return to school on Monday 25th April.

Easter Raffle

Thank you to all families who bought an Easter raffle ticket this week. We drew the winning tickets during Collective Worship this morning. We will you know how much we raised after Easter.

After School Clubs

Club places have been allocated and children told which clubs they have places in. If you returned your slip after Monday, you may not be given a place at the club of your choice if the places have been filled.

Welcome Miss Akhtar!

We would like to welcome Miss Akhtar to our team, who has recently started work in Year 5.

Apple Guided Access

Our online safety Parents' Guide this week is how to use an Apple feature called 'Guided Access' which allows you to limit your child's access to only parts of your iPhone or iPad that you choose.

We hope you have a great weekend!

Mr Elcock (Deputy Head)

Superstars

We are now beginning to hold Celebration Collective Worship (Assemblies) on Friday mornings. We hope that in a few weeks we will, once again, be able to invite parents to join us in celebrating our pupils' achievements. We will let you know when this will happen.

Well done to all our Superstars below...

What Parents and Carers Need to Know about APPLE GUIDED ACCESS

iPhones and iPads don't offer separate user accounts. So when you hand your Apple device to a child to play a game or watch a video, you're also handing them access to your email, the web, messaging and numerous other apps through which they could accidentally do something regrettable.

Apple Guided Access solves this potential problem by letting you restrict the iPhone or iPad to one particular app whenever your child uses the device. If they try and leave that app, they will be asked for a passcode or Face ID, meaning they can't access anything they shouldn't elsewhere on the device. Here, we show you how to find and set up the Guided Access feature, so you can confidently let your child borrow your iPhone or iPad.
