

Dear Parents and Carers,

Platinum Jubilee Celebrations next Friday!

Next Friday children are invited to wear red, white and blue, as we celebrate 70 years of our Queen's reign. Children will be making crowns in school, with prizes for the best! We will be having a special lunch too, and if the weather is kind, we may even have a picnic...

Gospel Value

Our new Gospel Value is 'Wisdom'. All pupils have been thinking about what it means, and next week we will consider how wisdom is different from just 'being clever'.

Online Safety for Under 5s

This week's online safety guide is specifically about online safety for very young children.

PSCOs visit St Stephen's

On Wednesday, two PCSOs came to speak to Key Stage 2 about ways to keep safe in and out of school.

Visits this week

Yesterday, Year 4 visited the Yorkshire Wildlife Park, and Year 6 visited Bradley Wood Activity Centre and had lots of outdoor fun!

We hope you have a great weekend,

Mr Elcock (Deputy Head)

We are now beginning to hold Celebration Collective Worship (Assemblies) on Friday mornings. We hope that in a few weeks we will, once again, be able to invite parents to join us in celebrating our pupils' achievements. We will let you know when this will happen. Well done to all our Superstars below...

ONLINE SAFETY FOR UNDER 5s

10 Top Tips for Parents and Carers

According to Ofcom's most recent research, a significant proportion of children are already online by the time they start school, with 17% of 5-year-olds owning their own mobile phone and 50% using messaging platforms. As becoming familiar with technology is generally encouraged in younger children – and has been essential for education during the pandemic – it is crucial that trusted adults recognise both the benefits and the risks of infants and toddlers using digital devices. We've compiled our top tips to help the under-5s start their online safety journey.

1 USE DEVICES TOGETHER

This lets you monitor and control what your child is using the device for. It also provides the interaction that supports children's understanding of what they're seeing – allowing them to ask you questions, and so on.

PARENT CODE:

6 BLOCK IN-APP PURCHASES

If your child uses a device that's linked to a payment method (such as a bank card), use the parental controls to block buys from app stores, as well as in-app purchases. That will prevent your child from accidentally spending money while on your device.
