TRANSITION DAY 8th JULY 2021

Dear Parents and Carers,

It is coming to that time of the year when staff and children find out which class they will be in from September ready for transition day. This year is slightly different due to some secondary schools not having a transition day for our current year 6s. Our day will be on Thursday 8th July in the morning. You will be expected to take your child to their new classroom on that day to meet their new teacher and LSA (Learning Support Assistant.) This is on the table below. At the end of the day they will be back in their normal classroom. If you could familiarise yourself at some point where their new class is before the day, this would be greatly appreciated, but do not worry if not as plenty of staff will be outside to guide you in the right direction. Please note that some teachers have swapped classrooms.

Year 6 – We will contact all parents if their new secondary school is having a transition day, (This is normally the Wednesday but please wait until you are informed) They will come to the Sycamore Hall on Thursday as we have something special planned for them.
