

A long time ago. In a universe where miracles and wonders reigned. Two legendary warriors, two best friends. Izuna the Phoenix and Drasta the Dragon.

Until one day... Izuna fell. Drasta was in a complete mess. And in his anger he slaughtered the enemy. Instead of capturing him, and bringing him to the council.

**"Not even the whole  
universe could fill my love  
for you..."**

**BANG**

**!!!!!!**

"I have been renewed.  
I will make sure I will  
lose nothing again!!!  
I AM  
The **BLOOD STORM!!!**"

Drasta was no longer  
Drasta. From then on, he  
became known as...  
The **Blood Storm.**

And as the time passed, the wickedness spread across the universe like wildfire. The darkness was to be considered unavoidable to some people.

**BOOM!!!!!!**

Of course not everything was taken over. But it was the fact that he was growing an army. And the growth rate was terrifyingly rapid!

"I suggest we find a place to rest and lay low. We figure out our next move in the morning."
