Help Haleema to get to her grandma's house!

Haleema wants to go to her grandma's for Eid but cannot find the path to get there. Help her find her way before she ends up missing out on all the hugs from grandma!

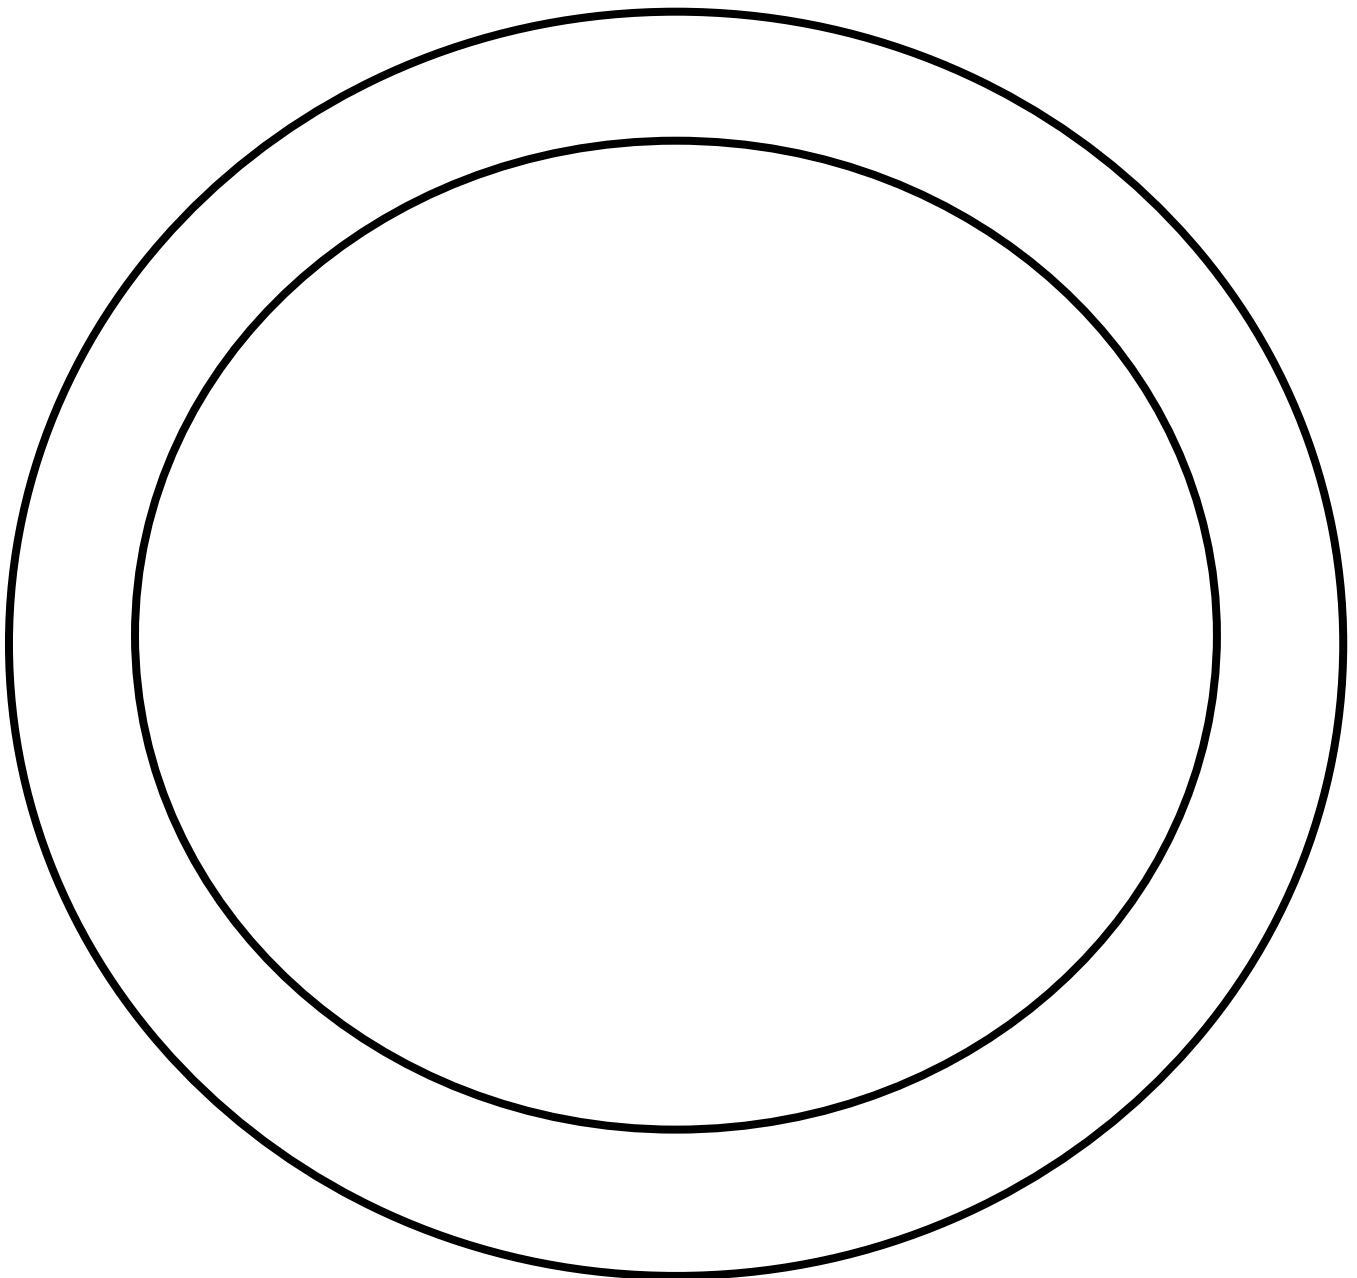

Spot the difference

Can you spot the 5 differences between the two pictures!

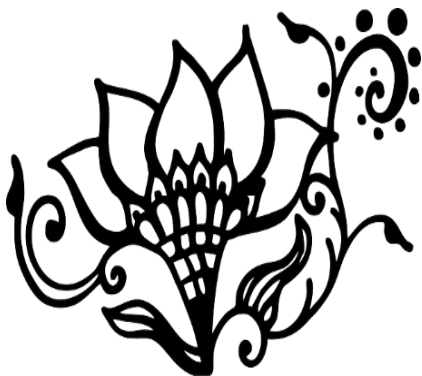

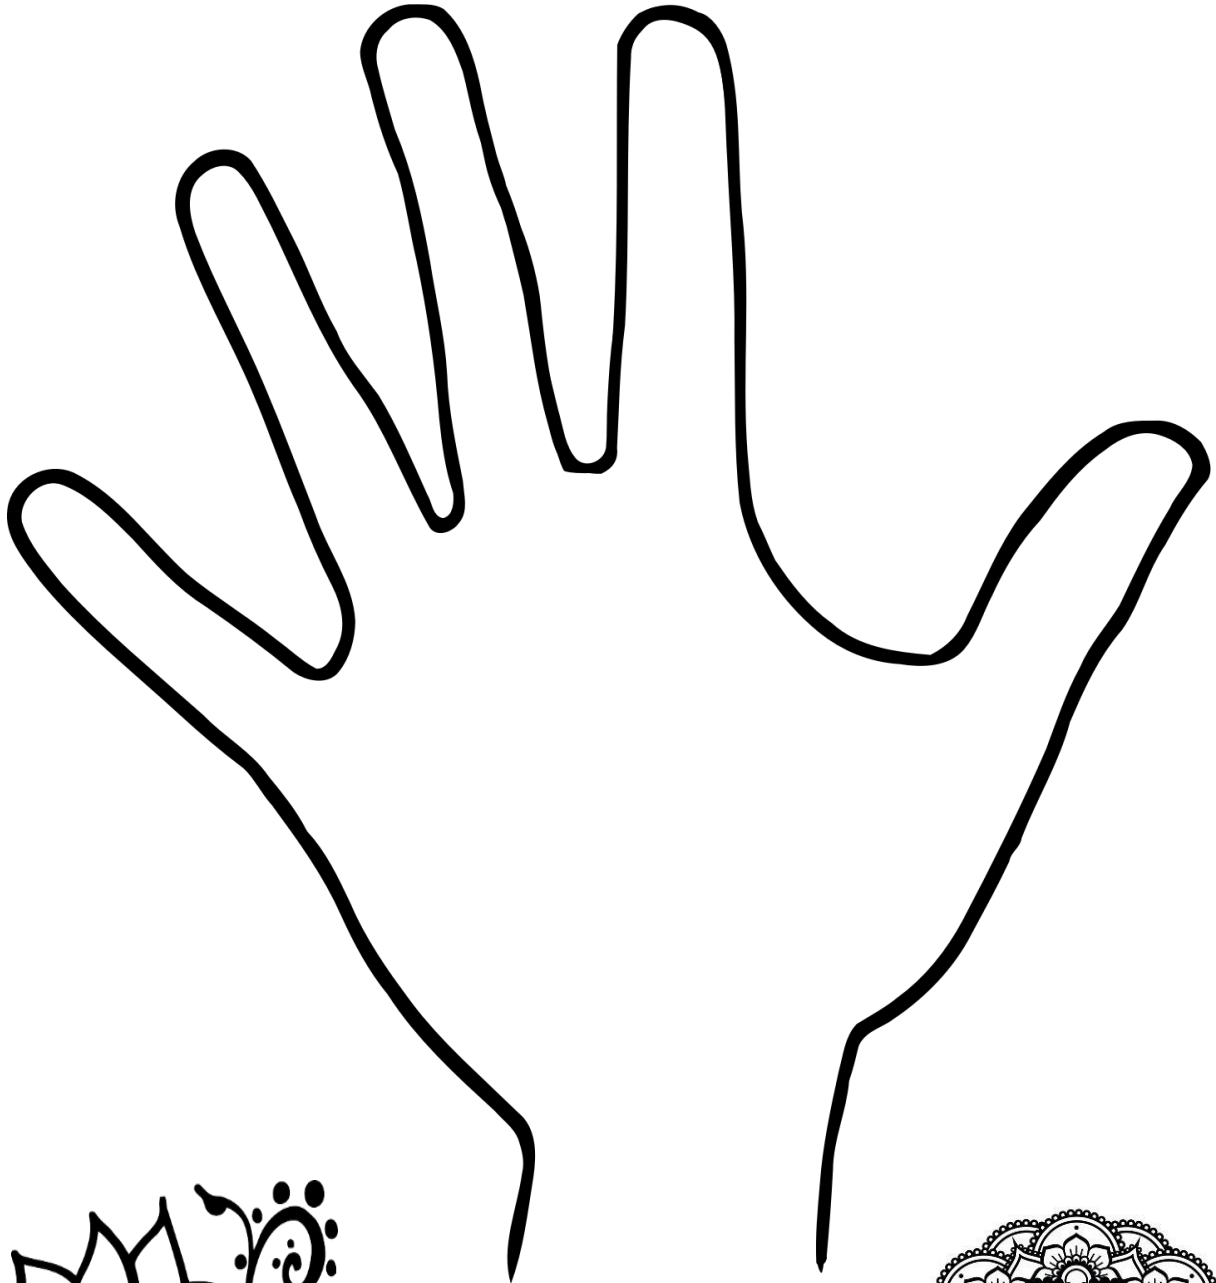

Create a plate of food that Sarah could eat for opening her fast!

Sarah is fasting today and doesn't know what to eat! She needs to make sure it is a balanced plate of food with foods that she would enjoy as well as something healthy. Create her the perfect plate of food!

Create a Mehndi design!

Some people for Eid put mehndi on their hands to celebrate. This is where flowers and patterns are put onto the hand and can be in all sort of creative patterns. Create your own mehndi pattern!

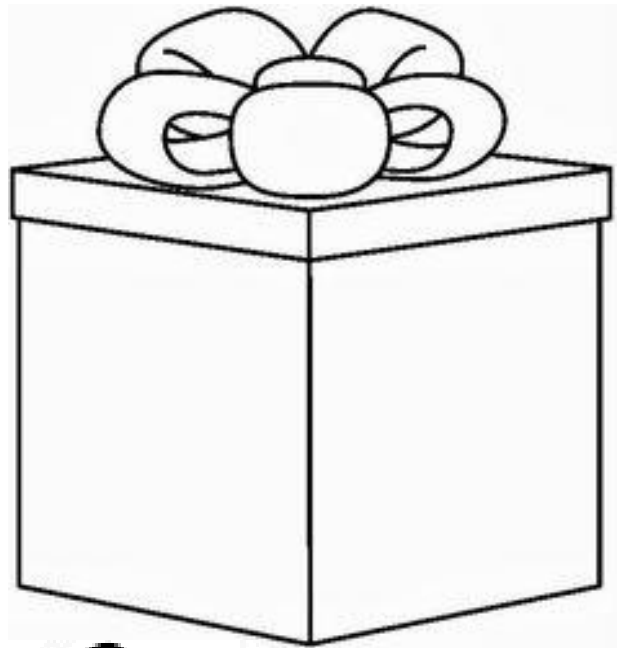

Put in a good deed a day!

Ramadan is not only a time for fasting but to also better yourself as a person. Write in one good thing a day you can do during this month (For example, being kind or saying please and thank you!)

Colour in the Eid presents!

Eid is a time of celebration and spending time with family. It is also a time to share presents to celebrate the special day!
