## **Statement of intent**

At St. Stephen's CE Primary School, we are committed to promoting the safety and wellbeing of our staff, pupils and visitors. Ensuring the safety of our school community is of paramount importance and, as a result, this policy has been created to establish a comprehensive safer recruitment procedure to help ensure the safety of pupils at school.

The maintenance of an SCR is required as part of this process as it provides schools with a record of all pre-employment checks, ensuring staff are safe to work in the school.

To ensure the school is recruiting suitable individuals for a role, employment checks will be carried out by the headteacher and the school business manager, in line with the school's Safer Recruitment Policy. The checks will include identity checks, right to work in the UK checks, varying levels of DBS checks depending on the role, as well as checks for staff who have lived or worked outside the UK so that any relevant events that occurred outside the UK can be considered.

This policy outlines the school's procedure for maintaining an up-to-date SCR in line with government statutory requirements and guidance.
